(Kind Attn. : Dir/HR for respective DPUs)

Sub : Marking of Attendance in respect of Teachers of O.F.Schools.

Ref : DOO (C&S), Kolkata letter of even no. dated 21.10.2021.

Vide above referred letter, in-principle it was decided that from 01.11.2021 onward the teaching staffs of O.F.Schools have to mark their attendance through "E-admin portal" as being followed for the other regular employees at DOO (C&S), Kolkata.

02. In this regard, factories were requested to provide the COMNET facility on loan basis to the respective schools which were attached to them until September 2021.

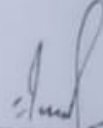

03. In this connection, it has now come to the notice that due to some technical reasons some of the factories have not been able to provide the COMNET facility to the school as on date.

04. Accordingly, **as a temporary measure** only those schools who are yet to install the COMNET facilities are permitted to mark their attendance through an attendance register. Head of schools are requested therefore to upload and forward the scanned copy of the attendance register on weekly basis on first working day of the next week through email to [ears.ofb@nic.in](mailto:ears.ofb@nic.in) endorsing a copy to [perni.ofb@gov.in](mailto:perni.ofb@gov.in) without fail.

05. It may also be noted that, this is just a temporary measure due to paucity of time for implementing a new system for all schools. The Head of Schools are hereby once again directed to do the necessary arrangements to install the COMNET facilities with the assistance of IT divisions of the factories, either in the school or in any office in the factory which is located the most nearby to the school premises, so that the system of marking attendance through e-admin portal may be implemented uniformly across all schools.

05. However, Schools which have already installed COMNET facilities are directed to start the system of marking the attendance of all Teachers positively through e-admin portal only w.e.f 01.11.2021.

06. CMDs are requested to instruct the factories to provide the comnet facility in the O.F.Schools at the earliest.
